Notes to Compiled Financial Statements

I. Nature of Ministry

Crossroads Kids Club (hereafter CKC) was organized on September 9, 1998, and recognized on March 23, 1999, as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. The mission of Crossroads Kids Club is to mobilize God's people to share the Good News with children through church-led, school-based clubs.

II. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of CKC have been prepared on a modified cash basis of accounting. Consequently, revenues are recognized when received, and expenses are recognized when cash is disbursed. Fixed assets are capitalized and depreciated rather than expensed. Debts other than operating accounts payable are recognized as a liability. Investments are stated at market value as of fiscal year end.

Classes of Net Assets

Information regarding the financial position and activities of CKC are reported in two classes of net assets as applicable: unrestricted and restricted. These classes of net assets are based on the existence or absence of donor-imposed restrictions. Accordingly net assets of CKC and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions are not subject to donor-imposed stipulations and are currently available at the discretion of the board for use in the ministries of CKC.

Net Assets With Donor Restrictions are those subject to donor-imposed stipulations that can be removed either through the passage of time (time restrictions) or expenditures by CKC in satisfaction of purpose restrictions, or permanent restriction which require that the principal be invested in perpetuity.

Cash and Cash Equivalents

Cash and cash equivalents include checking, savings and money market accounts with maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values based on quoted prices in active markets in the statement of assets, liabilities and net assets. Unrealized gains and losses are included in the statement of revenues, expenses and change in net assets.

Fixed Assets and Depreciation

CKC capitalizes property and equipment in excess of \$2,500 or more at cost. Depreciation is calculated over the estimated useful lives of the respective assets on a straight-line basis. Depreciation expense for the fiscal year ended June 30, 2026 was \$656.

Revenue

Contributions, event income, and investment income are recorded when received. All contributions are considered available for unrestricted use unless restricted by the donor. Contributions that have restrictions are reported as restricted, if the restrictions are not met in the same reporting period. Unrealized gain (loss) on investments are recognized at fair market value as of fiscal year end.

Functional Allocation of Expenses

The cost of providing various program and supporting services are summarized on a functional basis in the statement of activities – modified cash basis. Accordingly, some operating costs have been allocated among the programs and supporting services that benefited from those expenses.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount and disclosures. Accordingly, actual results could differ from the estimates.

Income Taxes

CKC is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code for all business income related to its exempt purpose. CKC is subject to income taxes on unrelated business income after related expenses. There was no unrelated business activity during the year ended June 30, 2026.

Evaluation of Tax Positions

As of June 30, 2026, CKC had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

CKC is exempt from filing the Form 990 beginning for the tax years 2021 (fiscal year ended 6/30/22), due to reclassification by the IRS as an association of churches.

III. Donated Services

No amounts have been reflected in the financial statement for donated services. The majority of CKC's activities are conducted by many individuals who volunteer their time and perform a wide variety of tasks. As the value of these donated services is not clearly measurable, it is not recorded.
